## PROFESSIONAL EXPERIENCE

### SOFTWARE ENGINEER

2021 - Present

*AMBASSADOR LABS (FMLY DATAWIRE)*

As part of the web team, I'm in charge of developing, maintaining and creating new features for the main website. I also work closely with the marketing team helping them to create new pages for marketing campaigns.

### PROGRAMMER ANALYST

2018 - 2021

*WALMART GLOBAL TECH*

The team where I worked was in charge of building mobile and web apps that were used in almost 11 countries. These apps made the work easier by helping the associates in their daily tasks, such as scanning, searching and knowing the availability of products.

### PROGRAMMER

2015 - 2018

*GOBIERNO DEL ESTADO DE TABASCO*

During this period I worked building web applications, such as inventory, document and email management systems.
